Dear Town of Vail Business Owners,

To support businesses during an unprecedented slow-down in the economy, the Town Council has elected to extend payment due dates for sales tax returns. Town of Vail sales tax collected in the months of February, March, April, May and June this year are now due to be paid by August 20th, 2020. The returns must still be filed by their regular due date but need not be accompanied by a payment of the tax. We hope that this effort will aid small business cash flow during this critical time. Your businesses are what make Vail a great place.

This extension applies only to the Town of Vail 4% sales tax.

IMPORTANT – Your online sales tax returns will continue to show the original due date; however, no penalties or interest will be added so long as they are paid by August 20th. You will also continue to receive delinquent email messages until the tax return is paid. We highly encourage all businesses to pay sales tax on time as finances allow.

Additional aid is available from the Federal Government and Small Business Administration. To find links to these programs and subscribe to additional Town of Vail updates, please visit our resource page at: https://www.vailgov.com/covid-19#2063376-for-businessesworkers
