Brief Description of Work

The construction work includes removal of existing 3-cell culvert structure and install single span prestressed concrete box structure over Gore Creek. This project is partially funded with State of Colorado off bridge replacement funds. The CDOT has determined that Underutilized Disadvantaged Business Enterprises (UDBEs) will participate by contracting for a part of the work of this Contract. The contract goal for participation in this Contract by certified DBEs who have been determined to be underutilized have been established at 4 percent.

An EEO-1 Report must be submitted to the Joint Reporting Committee if the contractor and subcontractors meet the eligibility requirements (29CFR 1602.7). For additional information regarding these federal requirements, please refer to:
