This includes address 1660, 1670, 1710, and 1720. This project will start the May 21st assuming all approvals are in place and finish July 21st. The existing cedar shakes will be removed including the Boston raised ridge and disposed of. All roofs will receive full coverage MetShield High Temp ice/water shield as well as all new 24gauge Slate Gray (Drexel) custom manufactured roof related flashing. The roofing product the HOA has approved is a CerTainTeed Presidential TL; color(Shadow Gray). All existing 15 units have 1 large custom skylight on the home that will be removed and replaced with a new AIA skylight to match the existing. The curb will remain in place and only the lid will be replaced. AIA skylight part #STD-4892BC-BTB. All roofs will have new Ventures ridge vent to replace the boston raised ridge system. Umbrella Roofing will also cut all stucco walls 8" up from the roof surface so new wall flashing can be installed. Stucco Works will then come back and install new stucco over our wall flashing.
